Subject: Clarks Creek Central Facility Pt. 1 registration
Attachments: Clarks Creek Central Fac_Pt. 1 Reg_6.10.19_signed.pdf

Ms. Smith,

EOG Resources, Inc. (EOG) is submitting the attached Pt. 1 registration package for the Clarks Creek Central Facility for modification to the facility that include the addition of producing wells and natural gas fired RICE driven compressors. The facility is located on the Fort Berthold Indian Reservation, McKenzie County, ND. The pad expansion that will include the new wells is shown on the location maps as the Clarks Creek 7 SWSE 2 Pad. The facility will still collectively be referred to as the Clarks Creek Central Facility.

EOG will submit an updated Pt. 2 registration form and supporting documentation within 60 days of startup of the new or modified equipment. EOG will also submit an update to the 40 CFR Part 71 operating permit application originally submitted July 27, 2018.

Please reply stating that you have received this email and the attached Part 1 registration.

Regards,

Mathew Oliver, P.E.
